

Diana Posada
Operations Manager

Diana joined Target in 2000 and has been directing the company's Information Technology Dept. since that time. In 2009, she was promoted to Operations Manager, a role in which she also oversees Target's processes and procedures, particularly as they pertain to policy delivery and customer service."

Ms. Posada's previous career experience included increasingly senior roles at Kaiser Permanente, from 1986 to 2000. In addition to a background in accounting, her expertise extends to the research, analysis and resolution of business and technical issues, including analyzing business requirements for system enhancements.
